Description

Data Analyst

As a Data Analyst, by helping merchants overcome business challenges, we strive to enable their success. Here at FireGroup, we offer business owners the tools they need to bridge the gap between large corporations and SMEs, the solutions to merchants' problems, as well as customized services tailored to the needs of each business. Our mission is empowering merchants to succeed with e-Commerce using our proven technology solutions. We are looking for new members who dare to think big and grow bigger with 4 core values:

- GROWTH
- TRUST
- EMBRACING CHANGE
- CUSTOMER CENTRICITY

3 reasons to work with us:

- The world of passion, challenge, innovation
- We're a family of young souls united by talents

Responsibilities

- Collect, check, clean, and process large data sets from various sources.
- Partner closely with stakeholders to define analytical problems, to find innovative ways to solve these problems with data.
- Collaborate with other stakeholders to deliver insights and decision recommendations.
- Research and develop key metrics and performance indicators
- Build/develop/maintain dashboards and visualizations that enable stakeholders to self-serve metrics effectively
- Build clear and simple dashboards. We currently use Power BI for reporting and visualizations

Responsible for other duties as assigned.

Qualifications

- Bachelor's degree in Economics, Statistics, or a related field
- Have over 2 years of experience with the role.
- Proven experience as a Data Analyst for SaaS products
- Proficiency in SQL, Microsoft Power BI (or any visualization tools), Microsoft Excel
- Knowledge of descriptive statistical analysis
- Exceptional communication skills and presentation skills
- Have a good business mindset and ability to solve business question
- Ability to work independently and as part of a team in a fast-paced environment
- You have an eye for detail

Job Benefits You are a fast learner and are comfortable with ambiguous requests.

- Have the opportunity to work with overseas clients
- Join the dynamic, young, and friendly product team
- Attractive salary, based on skill and experience
- 13-month bonus program
- Additional bonus performance-based bonus
- All insurances according to Vietnamese Labor law
