About Us

## Senior UX/UI Designer

Employment Type  
Working Hours  
9.00am - 6.00pm

- Established in 2016, FireGroup Technology JSC is a tech company that specializes in web-app solutions for running the business on e-commerce platforms. FireGroup has now become the leading web-app provider, especially on both Shopify and AliExpress platforms.
- Our mission is to solve challenges & problems in the global E-commerce market by using technologies. We are looking for new members who dare to think big and grow bigger.
- Software as a service (SaaS) remains the largest market segment in the warp-speed digital transformation and is forecast to grow to \$104.7 billion in 2020. FireApps would be honored to be a top-choice list of SaaS for the merchants on Shopify, the biggest e-commerce platform in the world, and we continuously keep expanding the line of products across multiple platforms along with all modern technology. Our mission is to become a leading SaaS solution provider with outstanding products that furnish and support customers in diverse industry sectors with best-in-class services.
